

Beecher Women’s Club Celebrates 100 Years!

The Women’s Club of Beecher serves as the oldest philanthropic organization in Washington Township. This group of women has been meeting, organizing service activities, and supporting others in Beecher for over 100 years!

How did the Women’s Club of Beecher begin? In 1922, Mrs. Maude Stites asked some of her friends to join her at her home for coffee and a discussion about the formation of a club. The first gathering included these fifteen forward thinking women: Dorothy Bahlman, Tillie Bielfeldt, Flora Ehrhardt, Vivian Ehrhardt, Gertrude Hack, Marie Hack, Ina Heldt, Violet Heldt, Rose Hunte, Erna Knuth, Myrtle Myrick, Pearl Schultz, Maude Stites, Winnie Wegert, and Lina Wehling.

The club was founded on March 7, 1922, and many of these ladies’ descendants are members of the club today. It began as the Women’s Welfare Club of Beecher and the object of the club would be both civic and charitable. Some of their first projects included beautification of the village. Funds were raised to build a bandstand and install a water fountain in Firemen’s Park. They were also set on improving Veterans’ Memorial Park by the train depot. Founding member Myrtle Myrick was believed to have raised and lowered the flag at the memorial park for over fifty years.

Over the years the Women’s Club has contributed to many projects: Red Cross, Beecher Community schools, March of Dimes, food drives, Girl Scouts, Boy Scouts, Salvation Army, Frosty Friends, Women’s Welfare Club Park, bronze memorial plaques, as well as active participation and support of the Beecher Centennial in 1970 and the Quasiquicentennial in 1995.

The blood drives in Beecher were started by the Women’s Club in 1975. In 1977, the club began their own scholarship for a graduating senior of Beecher High School. They have also had a long-time connection with the Beecher Community Library. The library began as a free lending library in the home of member Jean Ohlendorf.

Over the last decade, the club has sponsored several spring teas and holiday craft bazaars.

They recently celebrated their 100th anniversary dinner at the Princess Cafe. It was a special evening honoring members past and present for their contributions to the club and the community as follows:

Jean Ohlendorf (in memoriam) 75 years
Beverly Wehling 58 years
Ruthann Sanders 57 years
Lisa Poth (in memoriam) 53 years
Barb Bakhaus 50 years
Gwen Dean 50 years

Shirley Biery 48 years
Marilyn Rossler 48 years
Nancy Heldt 43 years
Vicki Squier 42 years

(Continued on page 2)

What makes the Women's Club so special? As quoted by a long-term member, "The fact that so few could accomplish so much, and through all the years continue to get along so well and enjoy being together. Four generations of my family have been or continue to be members."

If you are interested in joining this phenomenal group of ladies, they meet the first Tuesday of every month September-December and February-June in the Beecher Community Hall at 7 PM in the basement. Are you interested in supporting their projects? These ladies began a wonderful tradition of raffling off a handmade quilt during the July 4th celebration. They added a YETI cooler to their fundraising efforts. The group recently published a cookbook featuring recipes of our members: past and present.

Beecher Women's Club members can be found at the Beecher Farmers' Market over the summer and in Firemen's Park, during the 4th of July, selling raffle tickets for these fabulous items. The cookbooks are also available at the Beecher Community Library.

"Go into the world and do well. But more importantly go into the world and do good."
-M. Myers

Congratulations from Washington Township to the Beecher Women's Club on their 100th Anniversary, a truly amazing accomplishment! A special "Thanks" to Melissa Ohlendorf for contributing this story!

From Supervisor Mike Stanula

Hello Friends and Neighbors!

I hope that this issue of the Washington Township Spring Newsletter finds you and your loved ones healthy and happy.

The past year or so, our lives have no doubt been a struggle as we try to get back to some kind of "normal". We all have had ups and downs, achievements, and setbacks, wins and losses. There is a famous quote that is often used.... "Life is a Journey, not a Destination". Life's Journey is a healthy balance between success and failure and Life is never a Destination. The World has been throwing a lot of curve balls at us lately, but as a community we stand strong. We at the Township want to be part of your "Journey". We are going to take it slow, see how the world is treating us and take it one step at a time. That being said, we are opening some activities this summer to see how it goes. Like, speaking of curveballs, a Chicago White Sox and a Joliet Jackhammer's baseball game has been scheduled. Those outings have always been popular, and we want to bring them back. Call the Township Offices and speak with Tammy for more details or to purchase tickets, we will be providing buses to both games. We also want to bring back our popular senior breakfast, which will be scheduled for this fall. Also, back by popular demand our famous Holiday Dinner in December. No reservations needed for those events, just show up with an appetite and some good stories to tell your friends. Your Township has always and will always be a friend to local organizations. We have already approved sponsorships for some of your favorite summertime Beecher events, like the annual Beecher 4th of July Celebration and the Beecher Lions Club Summer Fest in August. We are, as always looking into other events as they become available.

The world is constantly changing, and as time goes on things change, people change. We have asked this every once in a while, but if you could be so kind and do us a favor. Let us know what you would like to see your Township do, to help make your "Journey" better. Drop us a note at the Township offices either by snail mail, email or in person. We will look at all your suggestions and we will see what we can do for you. This is your Township, this is your community, and these are your neighbors. This is your year to.....Enjoy the ride, smell the flowers, and look around at everything along the way.

Because it's one of the things that make Beecher a Great place to be!

From the Beecher Fire Protection District

Why is your address so important? In an emergency, it is crucial to have your 9-1-1 address posted for emergency services to locate you. Every second counts in a life and death situation, and without proper identification, they may be unable to locate you. Address Markers/Numbers should...

- **Be Visible in the Dark** - Put the numbers on your house under a light. Numbers on a mailbox or post should be reflective or on a highly contrasting background. Numbers need to be at least 3” in height and must be reflective.
- **Be Uncovered** - Several times per year, trim the bushes, vines, flowers, and weeds so ALL numbers are clearly visible. Move flower baskets, flags, and other items that may obstruct a clear view.
- **Be Posted Twice on Long or Shared Driveways** - If the driveway leads to more than one address, post all numbers at the end of the driveway, and also post the correct number on each building. Your 9-1-1 numbers should be posted where they are easy to see from the road.
- **Be Visible from Both Directions**

9-1-1 Reflective Address Sign Program

Beecher Fire Protection District is currently working to ensure that every address is properly marked for resident safety and emergency responders. We are currently offering blue reflective signs with your 9-1-1 address for \$10.00. Applications for the signs can be obtained on our website or in our front office at Station 44 located at 711 Penfield Street. Please indicate on the order form if you'd like your sign installed by our firefighters or if you would prefer to install your sign on your own. These signs are not available for residents outside of the Beecher Fire Protection District service area.

BEECHER FARMER'S MARKET

News From the Community Building Board of Managers

This past year has seen many improvements at the Washington Township Community Hall. The sidewalks and entrance stairs have all been replaced as well as ramp access and new railings added. A stamped pad was put in around the cannon to add additional flare. After the sidewalk installation was finished, the grounds around the building were landscaped to not only help improve the exterior view but to also help alleviate some of the drainage issues the building has had for decades. We will soon be planting new Japanese Red Maple trees on the west side of the building (to replace the trees that had to be removed) for additional curb appeal. If you haven't had a chance to see the changes, we invite you to stop by and take a look!

Some of the upcoming projects we will be focusing on are to possibly have some tuck-pointing and masonry repairs completed as well as having the outside fire escape painted.

The hall continues to be accepting applications for rent from any Washington Township residents. It is a great location for birthday parties, baby showers, bridal showers, graduation parties and much more! The standard fee is \$125 per day per level. Weekends fill up quickly, so we encourage anyone interested in seeing the building or reserving a date to contact Kellie Karstensen, Community Hall Manager at 708-417-6403 to check availability and details.

Township Offers General Assistance for those in Need

Washington Township provides many important functions that economically improve the quality of life in our community. One of our goals at the Township is to assess, address and advocate for the needs and concerns of Township residents. We provide support and assist individuals and/or families in times of need.

Beyond being a resource for residents, Washington Township administers **General Assistance** to help sustain people in situations, who are not otherwise eligible for federal or state assistance programs, and we administer the emergency assistance program to help people in emergency situations with evictions and utility disconnections. We also work with our residents to coordinate other charitable and governmental programs that may help them in their time of need.

To find out if you qualify for General or Emergency Assistance, please stop by our office or call us at 708-946-2026 for a **confidential** screening.

Washington Township Medical Closet

Washington Township residents can take advantage of the township's Medical Closet for many of their "short term" medical equipment needs. The medical closet typically has wheelchairs, walkers, canes, crutches, and shower chairs in inventory and available for checkout. There is no cost to residents to borrow items and we simply ask that all items be returned when they are no longer needed.

Please call our office at (708) 946-2026 to make arrangements to drop-off or check out equipment.

Washington Township Food Pantry

The Washington Township Food Pantry is open to any township resident or family that is in need of help. Offering canned foods, paper goods, cleaning items, frozen food and at times, fresh products, the pantry strives to provide quality items for those in need.

The pantry is open on the 2nd & 4th Wednesday of each month from 9am - 10am AND from 6pm - 7pm. Please call Paul Goldrick at (708) 516-2594 for additional details or if you need assistance. Many thanks to the volunteers who assist at the pantry!
