Reports:

- 1. <u>Road Commissioner</u> Commissioner Meyer reviewed his written report (Attached). Meyer also told the Board that resident Bob Fox has been requesting that Klemme Road, which runs along the west side of his property, be paved. Meyer said that Klemme was a dirt road when Fox built the house and is now gravel and there are plans to improve the road over the next couple of years. There was no discussion regarding his report.
- 2. Assessor No report there is currently a vacancy in the Assessor's office.
- 3. <u>Clerk</u> The next Senior Movie Night will be held on August 15 at the Washington Township Center and the Senior Breakfast and Flu Shot program will be held on September 22 at Cardinal Creek Golf Course.
- 4. <u>Supervisor's Report</u> BMS has removed the several dead tree stumps at the Washington Township Center (WTC). The Joliet Jackhammers game on August 7 is sold out and the bus will leave the WTC at 5:30 pm. Clerk Burgess suggested a fall Senior Bus Trip to the Fair Oaks Farm in Indiana and a tentative date of October 12 was chosen.

Supervisor Stanula explained that Accountant Daryl Dahlberg has sent a notice that he is raising his hourly rates from \$65 to \$75 per hour. This will be the first time Mr. Dahlberg has raised his rates during the 5-years he has been working for the Township.

Members of the Beecher 2040 Committee will give a short presentation at the September Senior Breakfast. It was suggested that the group set up an information booth at the breakfast or provide a copy of their information that could be given to all attending the breakfast.

7. Consideration and Approval of Mary Tamez to Fill the Assessor's Vacancy on a Contract Basis — Supervisor Stanula has been in contact with Will County Assessor Ronda Novak and she is recommending that the Board look to replaced former Assessor Carol Ann Blume within the next 30 days. The county has just done an annual reassessment and those notices typically generate many calls to the local assessor's office. Because of the current assessor vacancy, Washington Township residents are being told to call Novak's county office and those questions are better addressed at the local level.

Stanula has talked to Mary Tamez, who is the Crete Township Assessor, and she is willing to do perform the Washington Township Assessor's duties on a contract basis. Because Tamez is not a resident of the township, she can legally work for other jurisdictions as an outside contractor. Stanula said Tamez is an experienced Assessor and after talking to her, he is confident she can handle the additional work. Tamez said she would not reassess township properties or change how property is currently assessed in Washington Township. However, she would work to get all of the Township's manual PIN cards converted to an electronic format because it is easier to maintain the system and it will offer residents and others easier accessibility to that information. She would need help to get that information converted and former Assessor Blume has volunteered to help if needed or the current part-time staff could also be utilized.

Township Attorney Tom Knuth has drawn up a standard one-year contract for Ms. Tamez and it will offer the same pay rate that Blume was receiving and provides for a 30-day separation clause and discusses the requirements of the job. The contract would take effect on August 13, 2018. The Board reviewed the contract and there were no changes recommended.

MOTION:

Trustee Goldrick made a motion to offer Mary Tamez the employment contract as presented to perform the duties of the Township Assessor with an effective start date of August 13, 2018. Trustee Herlitz seconded the motion. There was no discussion on the motion. Roll Call vote: Goldrick – yes, Herlitz – yes, Stanula – yes. **Motion passed 3-0.**

PAYMENT OF BILLS:

General Assistance

There was one General Assistance payout in July totaling \$593.23.

MOTION:

Trustee Goldrick made a motion to authorize payment from the General Assistance fund in the amount of \$595.23. Trustee Herlitz seconded the motion. There was no discussion on the motion. Roll Call vote: Goldrick – yes, Herlitz – yes, Stanula – yes. **Motion passed 3-0**

Town Account (including Transportation Fund)

The board reviewed the bills as prepared by the Supervisor and presented by the Clerk.

MOTION:

Trustee Goldrick made a motion to authorize payment of all applicable payroll, bills, debits and appropriate transfers for the Town Account totaling **\$10,285.38**. Trustee Herlitz seconded the motion. There was no discussion on the motion.

Community Building News

Community Board Manager Teresa Peterson told the Board the rental requests for the Community Building are down and they're many open dates between now and the rest of the year. As an incentive to increase rentals, the Board is going to reduce the cleaning charges to residents from \$125 to \$100.

There are several broken glass blocks in the upstairs windows and the Board is trying to secure at least two quotes to have the windows repaired or replaced.

Adjournment:

Being no other business or discussion, Trustee Herlitz made a motion to adjourn. Trustee Goldrick seconded the motion. Being no discussion and after being unanimously approved by voice vote, the Board Meeting adjourned at 7:45 pm.

Respectfully submitted,

Approved by Board of Trustees: 9/4/18
