As the Beecher Village President, I welcome all elected and appointed officials of our various local taxing bodies to meet periodically to discuss issues of common concern and to attain a better understanding of situations each taxing body may be facing which affects all of us as constituents and local leaders. In the agenda is the roundtable, where each taxing body has the floor to express any concern or relay any type of accomplishment. It is through this roundtable that we learn directly from those officials as to what they are facing as a local government entity. We will also learn about and discuss the proposed Tax Increment Finance District being proposed by the Village. I hope to see you at the meeting.
